Safe Routes to School

BEAVERTON Safe Routes to School

Kids are everywhere. Drive like it.
As students return to schools for in-person learning this month, arrival and departure times may be different than you are used to. While traffic and activities around Beaverton schools may look different, one thing is for sure – kids are out and about in our community. Some kids may be returning to school buildings while others will be continuing to learn remotely and taking breaks outside during the day. Safety is everyone's responsibility! Kids are everywhere. #DriveLikeIt.

Driving Safety Tips
Our community needs everyone to drive safely, be alert, and follow traffic laws, especially when observing students walking, biking, skateboarding, and scootering. Let's work together to keep our students safe!

- Stop for school busses when red lights flash. Both directions of traffic must stop.
- Watch your speed. 20 mph is the school zone speed limit.
- Be ready to stop at all times. Kids may dart into the street without checking for traffic.
- Stop for people at intersections and when asked by the crossing guard. Check your blind spots before turning and behind your vehicle before reversing.
- Drive for conditions – This time of year is often rainy and foggy limiting visibility for drivers, cyclists, and pedestrians so keep those headlights on to help others see you.

Meet Our SRC Aides

Hello, I'm Ms. Dalene! I was born and raised in Oregon. My youngest son went to Sexton Mountain. I have been at Sexton Mountain for 8 years in the lower SRC, this is my 15th year in the district.
Things that make me happy are spending time with my two sons and family. My greatest joy has been being a mother for the past 30 years! You can find me in my spare time enjoying watching the waves crashing on the shore at the beach, sipping my Dutch Bros.

Hi, I'm Kirsten Stevens. I have been with BSD for 5 years, half of my time has been in the SCC at Cooper Mountain, the rest of my time has been in the SRC at Sexton.

I'm originally from Missoula, MT, GO GRIZ!! My husband, Jeff, and I moved out to Oregon so I could go to court reporting school. I did that for too many years (almost 10) and then followed my heart to work in the schools once I had kids and realized how much I loved working with kids/teachers. In my free time I enjoy cooking, working out, gardening, spending time with my 9th and 7th grader and of course my husband. We have been married 20 years and hoping to hit a warm, sunny Hawaiian beach soon to celebrate! Beaches and sunshine are my most favorite things...and salted caramel anything.

Hi I'm Chantel Scambray! My husband, two kids and I moved to Portland Oregon in 2008 and have been happy here ever since. I am privileged to be a staff member in Sexton's SRC program as a Paraeducator since 2012 and love it. I share my home with my family: husband Kevin, son Trevor (20), daughter Melanie (17), dog Roxie (11) and cat Cosmo (1). In my spare time I enjoy reading, gardening, baking, hiking, walking, building puzzles and spending time with my family and friends.

Beth Johnson and Jennifer Chervin have both worked at Sexton Mountain Elementary SRC for 14 years!!! we've always been in different classrooms until....this year!

We both enjoy nature, pretty quilts and chocolate!
We enjoy working with all the amazing SRC kiddos every year.

Hello!
My name is Jaren Breault, most of my students call me Mr. Jaren, I am one of the many awesome paraeducators in the Structured Routine Center or SRC. I have worked with every age group in BSD now and most of our specialized programs. I have been working with students and youth since I was still a kid myself and don't plan on stopping! I come from a long line of special and general educators and am working on my masters in special education as well so that I may have my own classroom one day!

I live in Beaverton and in my free time I can be found enjoying time with my family, backpacking, hiking, playing on the river, traveling as much as I can, coaching lacrosse for Mountainside HS (go Mavs!), and pretending I'm still an athlete for the men's leagues I keep finding myself in 😆. I love learning about new places, cultures, and things to do in our world and am looking forward to continuing to work with our awesome community here at Sexton Mountain!

Hi. My name is Pam Cook and I have been a Paraeducator in the SRC at Sexton Mountain for the last 10 years. I enjoy working with our students, watching them grow and learning from them every day.

I am originally from the east coast growing up in New York and going to college in Philadelphia. It has been 20 years now that I have lived on the west coast beginning in Seattle for 10 years and now in Beaverton. I enjoy the people, weather and outdoor activities Portland has to offer.

I have two grown children, Allie and James. Allie is a Brand Copywriter living in New York City and James is a college basketball coach in Florida. I love to travel, do crafts and spend time with friends and family.

Hi! I'm Kelly Brenner and have been a SRC Paraeducator at Sexton Mountain for 2 years. This year, during CDL, I've been working at Hiteon Elementary. I grew up in Minnesota and moved to Oregon 22 years ago. I'm married and have 2 children who attend Westview High School. We like to travel together and take day trips to the coast. Both of my kids play soccer so we spend a lot of time at the soccer field too.

I'm looking forward to coming back to Sexton Mountain next school year!
